Garbage Disposal Guide

Iida City's Garbage Collection Rule

1 Classify and separate garbage per raw materials and stuffs.

Method of garbage classification is on the next page →

2 Put in the designated waste bag

→ Designated garbage bags are available at supermarkets and convenience stores.

Designated waste bags for each type of garbage are on the next page →

3 In the garbage collection site

→ Please use the collection site near your residence.

4 Dispose each garbage by 7 a.m. on the given date of collection

→ Schedules for garbage collection vary depending on the location of the site.

→ Please verify in the garbage recycle calendar.

Please observe the rules in disposing garbage!

Iida City
